abach@redhat.com

Red Hat

What We Achieved

Strong momentum

- Built a solid OpenShift Virtualization foundation
- Aligned architecture with operational realities
- Identified clear migration and scaling paths
- Created a practical roadmap for next steps

Update **confidential** designator here

What Comes Next

From plan to impact

- Pilot Phase: Run a focused pilot with measurable outcomes
- Optimization: Capture lessons and optimize the reference design
- Governance: Standardize templates, policies, and operations
- Expansion: Scale rollout in controlled migration waves

Red Hat

Update **confidential** designator here

Additional Trainings

Recommended next courses

- **DO380** - Red Hat OpenShift Administration III: Scaling Kubernetes Deployments in the Enterprise
- **DO346** - Red Hat OpenShift Virtualization
- Combine both for platform and virtualization depth
- Use labs to accelerate production readiness

Red Hat

Thank You

Great progress so far - let us keep the momentum and deliver the next milestones together.
